# SUPERDIMENSION NEPTUNE VS SEGA HARD GIRLS

アイ7  
IF

I'd like to have the reverse side of the bare arm be the same

I'd like to make it worn a little lower

I drew it myself, but...  
I feel like it's clearer without the leg line

It would be good if the part pinning it down is visible from a distance (3D)

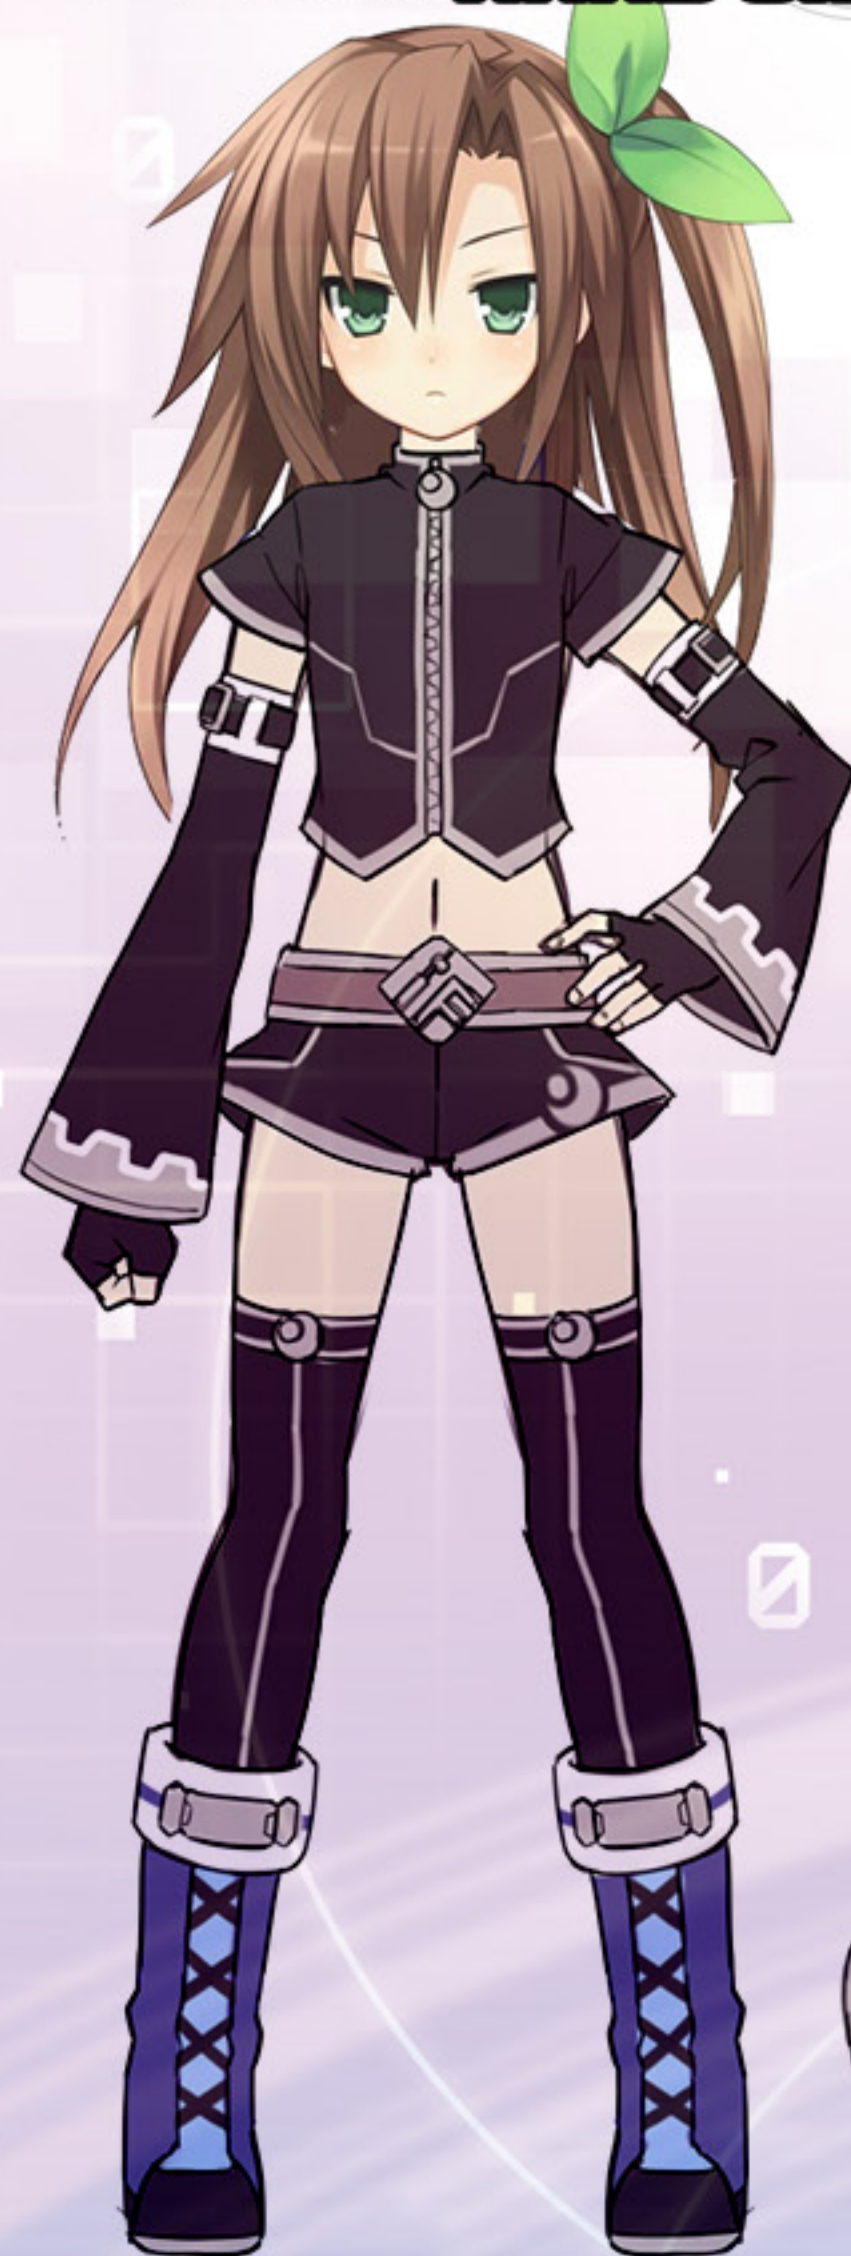

A stitch-like detail (3D)

It would be good if there was something to catch the light blue

- Is the hairstyle okay as a ponytail?
- Mecha-like transformation...?

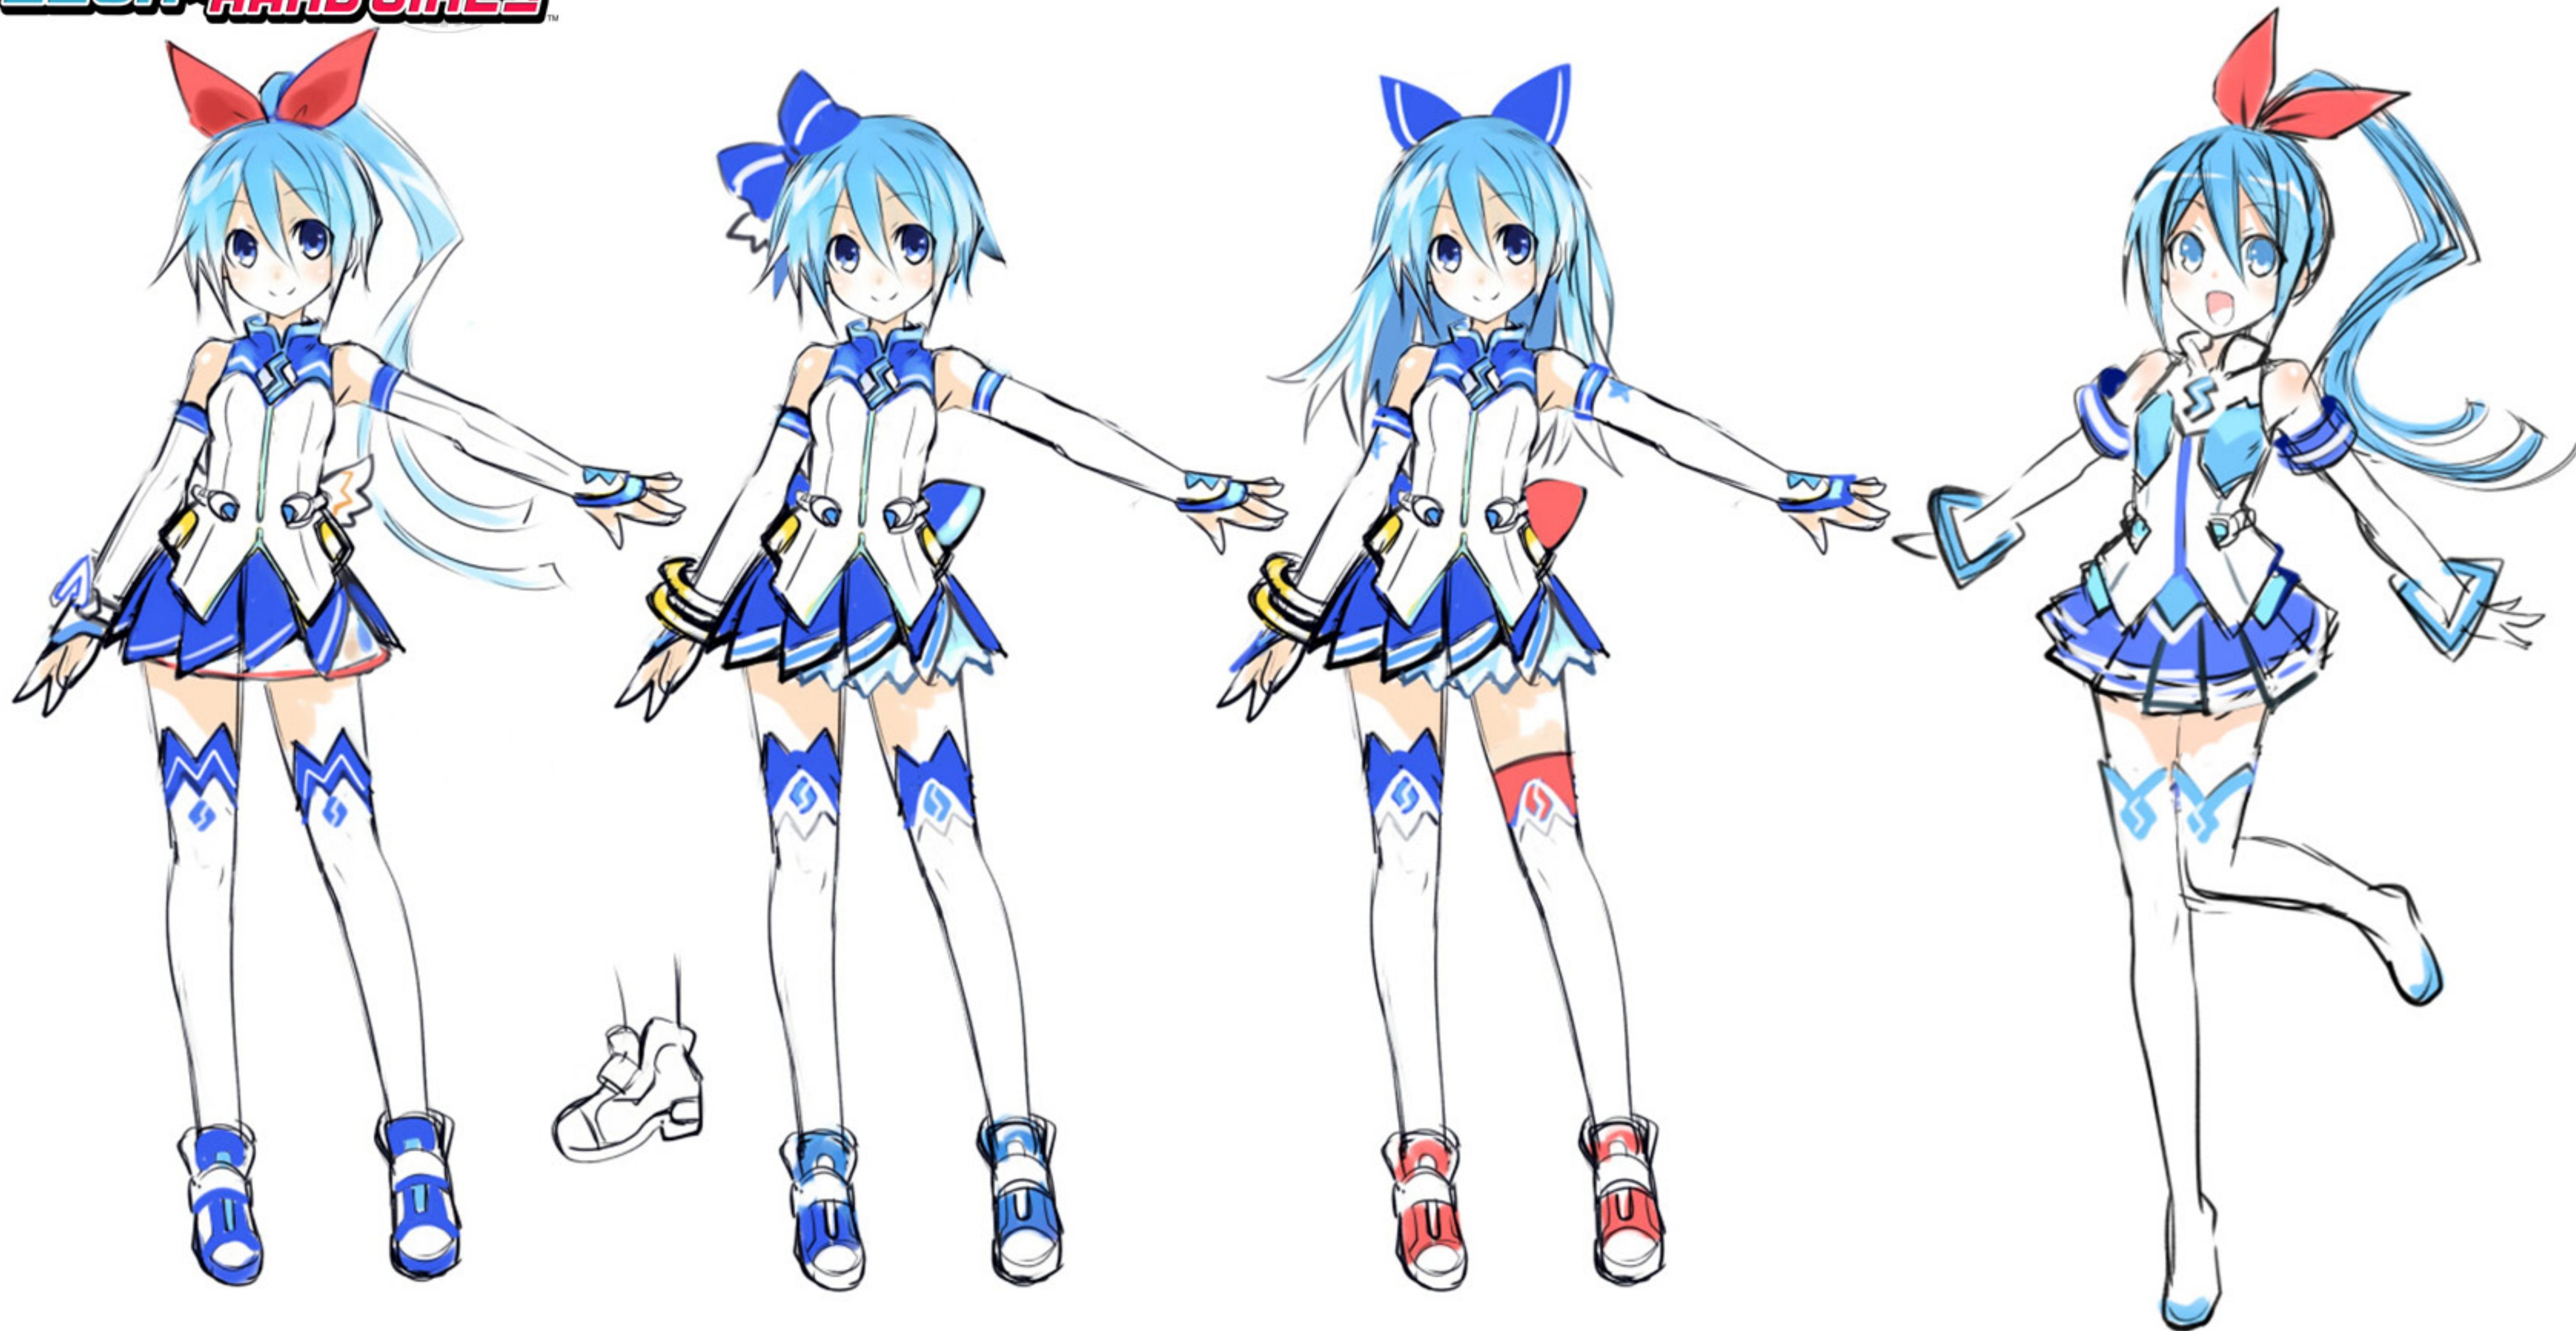

Refreshing-esque  
background

# SUPERDIMENSION NEPTUNE VS SEGA HARD GIRLS

I feel like having  
it mostly blue and  
white looks more pure

Segami (Goddess)

# **SUPERDIMENSION** **NEPTUNE** **VS** **SEGA HARD GIRLS**

Segami (Goddess CG)  
 Design Proposal ①

Completely blue•white,  
 the colors of SEGA  
 (Make the CG glow white,  
 kind of angelic...)

A little ribbon →

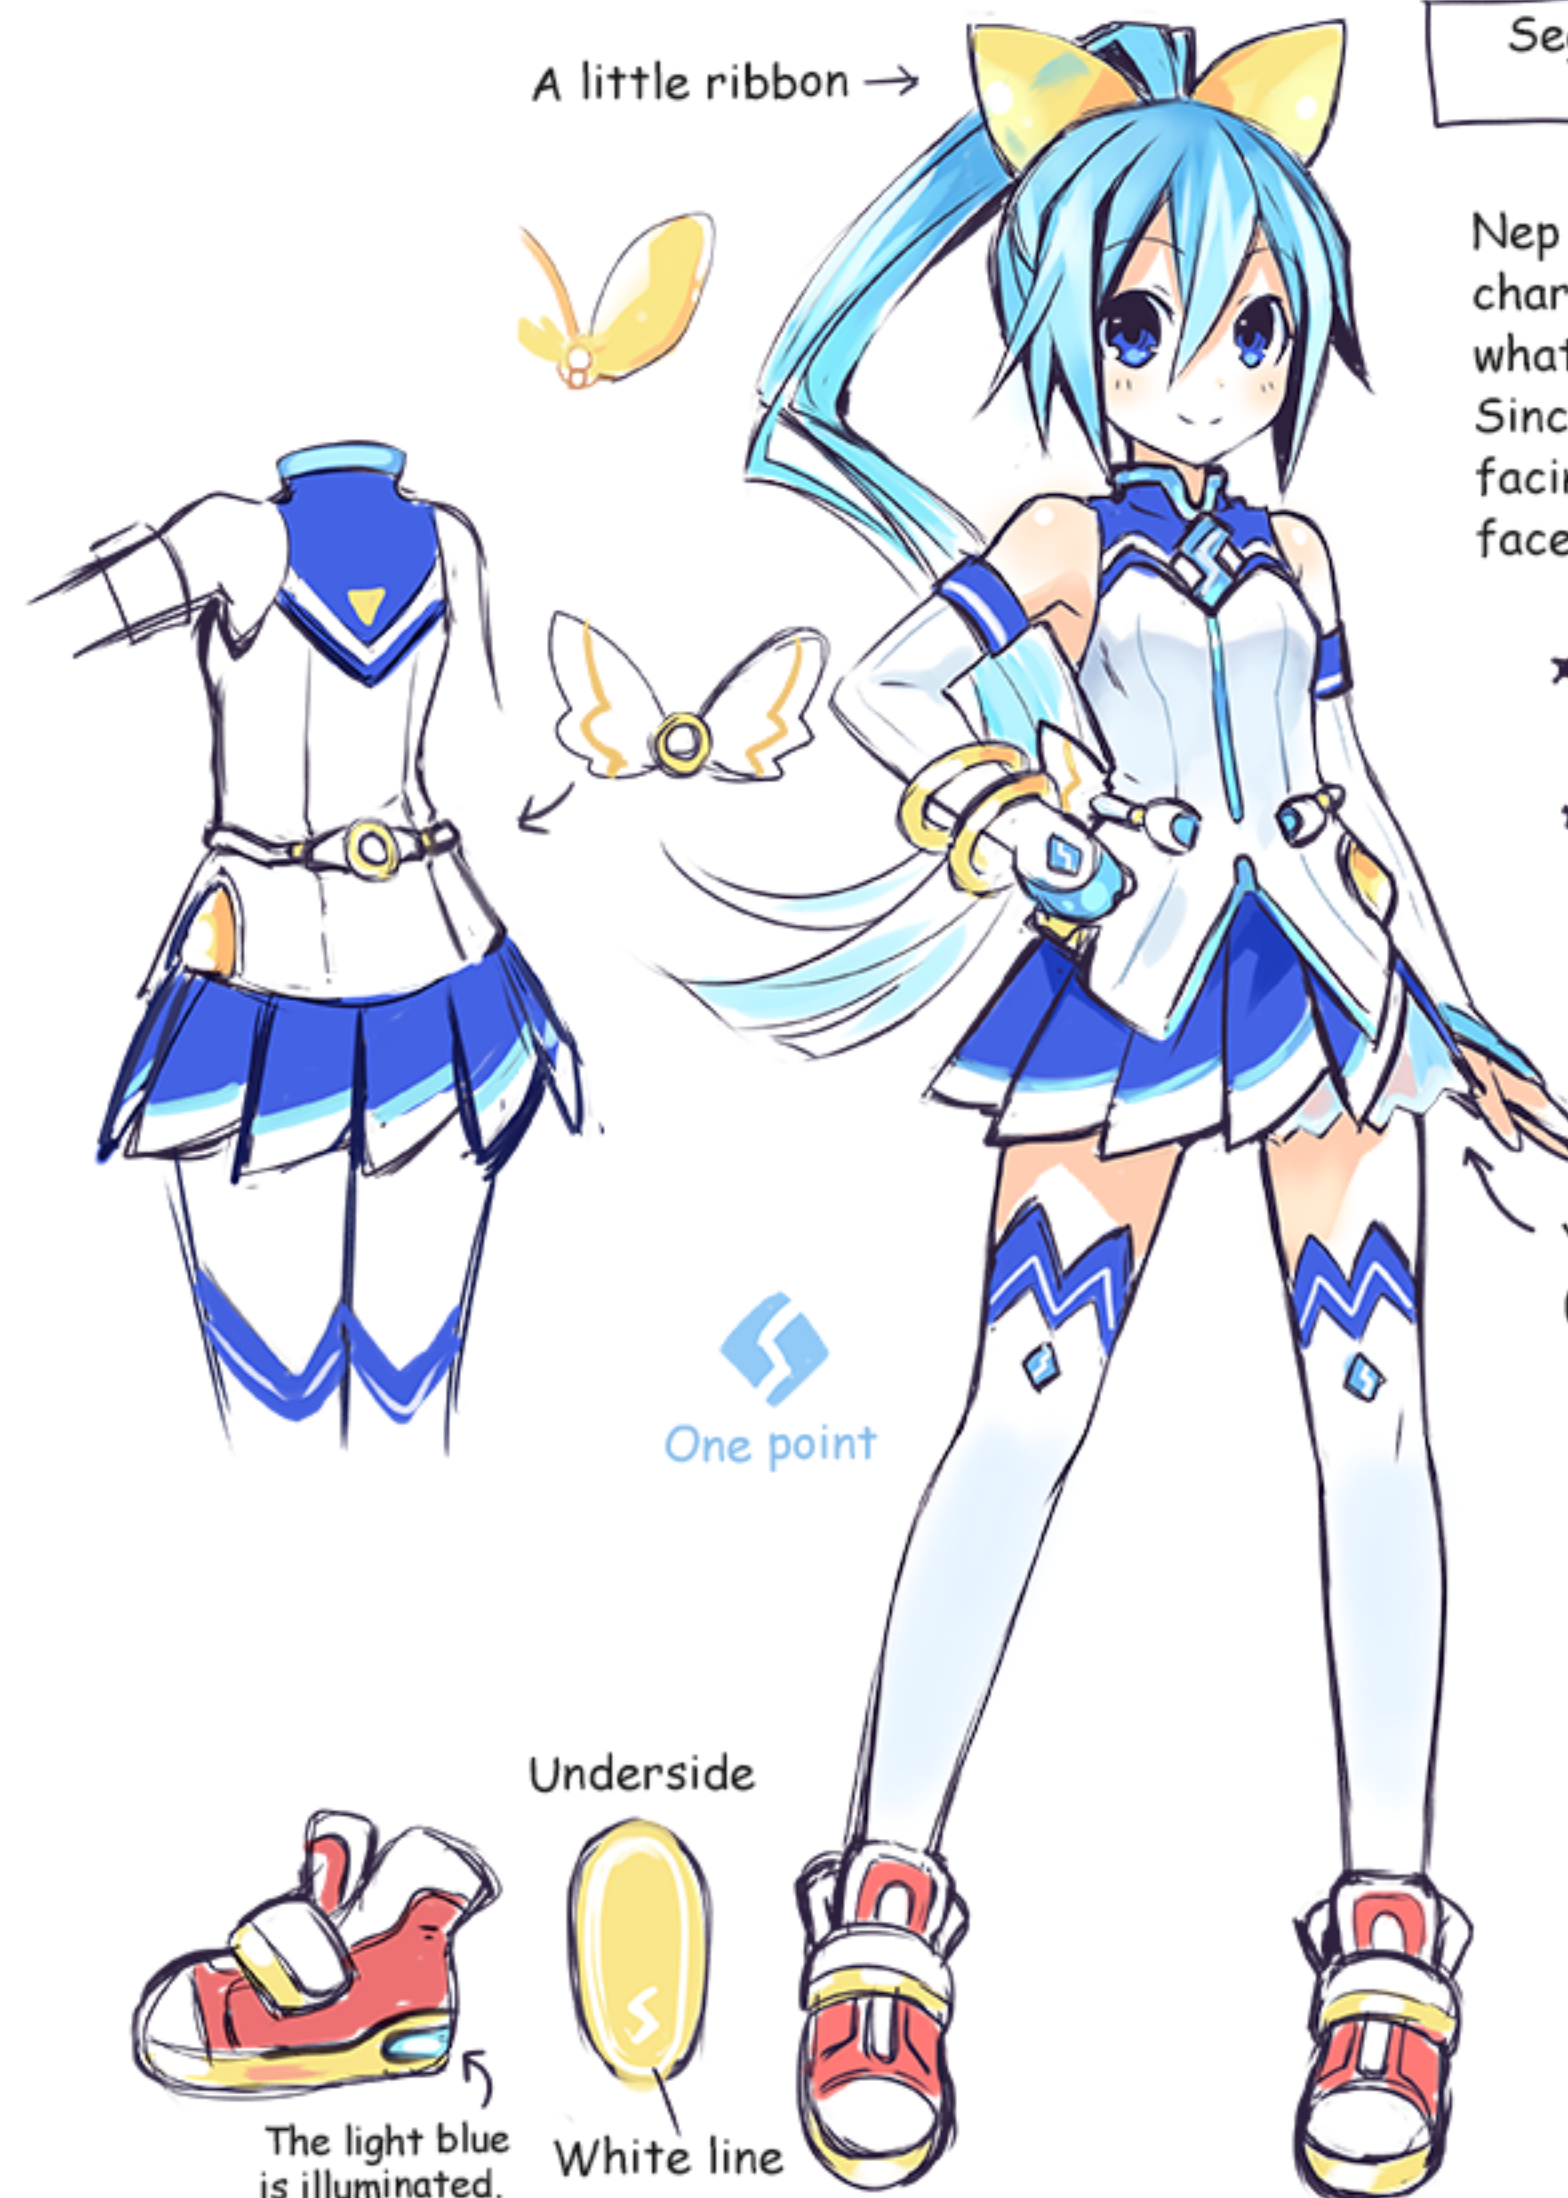

Segami Standing  
 Art Rough

Nep & IF is front art so surrounding  
 characters should be alright facing  
 whatever direction...  
 Since the Sega Hard Girls were  
 facing left, I tried making her  
 face right.

★ About the same height as IF

★ Her bangs should flow to the  
 other side than the face.  
 (So it won't hide the face.)  
 When she's facing forward,  
 it'll be the direction of the  
 rough art.

You can see the skirt in between.  
 (See through)

The light blue  
 is illuminated.

Underside

White line
